Arts and Crafts Village, Kovalam, Trivandrum

Theme:

Echoes of Tomorrow

Voices Leading The Future

Workshop
August 22

SP Medifort
Eanchakkal, Trivandrum

EIGHT HOURS EIGHT SKILLS ENDLESS IMPACT

SCAN FOR REGISTRATION

Dear Friends,

After an eight-year hiatus, the soul of critical care beats once again at the heart of Kerala. It is with great pride and enthusiasm that we welcome you to this conference, centered around the ever-evolving field of critical care medicine. This conference is designed to inspire, educate, and equip you with the tools and insights necessary to excel in the demanding field of critical care. Together, we will explore cutting-edge advancements in critical care, discuss innovative approaches to patient management, and tackle the ethical and emotional challenges that define this specialty. More importantly, this is a space to ask questions, share experiences, and build connections with mentors and peers who will be an integral part of your journey. The crown jewel of this conference is our immersive workshop “Eight Hours, Eight Skills, Endless Impact.” Each hour brings focused learning, each skill a step toward excellence, and together, they promise an impact that endures far beyond the workshop walls. Thank you, and may this conference be a source of inspiration and empowerment for each of you.

Welcome to Thiruvananthapuram

Conference Secretariat

WHY YOU SHOULD ATTEND?

This conference is meticulously curated to meet the needs of both budding intensivists and seasoned professionals. Whether you're preparing for exams or refining your bedside skills, this event promises something for everyone:

- **Immersive Case Based Discussions:**
Tackle real world critical care challenges through expert-led, interactive sessions.
- **High Yield, Exam Focused Content:**
Perfect for residents in the final stretch of preparation.
- **Refresher For Practicing Intensivists:**
Stay updated with concise, impactful revisions of core topics.
- **Hands On Skill Stations:**
Gain practical experience through structured, supervised stations.
- **A Peep Into The Future:** Explore the future of critical care with sessions on next generation technologies, evolving therapies, and innovative models of care.
- **Essential Skill Mastery:**
Learn and perfect eight essential skills every intensivist must know.

**Join us for an enriching experience that bridges
foundational knowledge with cutting-edge practice.**
